2024 GEMA AWARDS

TV/STREAMING GLOBAL

Congratulations!

Dear G.E.M.A. Community,

On behalf of the Board of Directors and myself, it's with great pride and excitement that I extend my warmest congratulations to the nominees and winners of this year's GEMA Awards for TV and Streaming. Your creativity, drive, and innovation are the very heartbeat of the entertainment marketing industry. You bring stories to life, spark joy, ignite passion, and inspire fandom in ways that leave a lasting impact. Today, we celebrate you - the visionaries behind the campaigns, the ideas, and the work that captivate audiences around the world.

Every single submission this year represents the power of storytelling and the magic of marketing. Each one is a testament to the talent and passion that make this industry so dynamic and vital. Together, you are the driving force pushing the boundaries of what's possible, and it's truly inspiring to witness.

I'd like to take a moment to spotlight and express my gratitude to our incredible supporters - our members, partners, and sponsors. Your dedication and belief in G.E.M.A.'s mission fuel everything we do. Your unwavering support allows us to continue pushing boundaries and raising the bar for excellence in entertainment marketing. It is through your contributions and collaboration that we are able to recognize and honor the outstanding talent in our industry.

A special thank you to our judges and jurors, who bring their expertise and passion to the table, not for the accolades, but for the love of this industry and the creativity it inspires. Your dedication helps elevate the remarkable work we are all here to honor.

As we look toward the future, the possibilities are endless. This industry is constantly evolving, and together, we are writing its next chapter. G.E.M.A. will continue to grow and be a hub for innovation, creativity, and community, a place where the brightest ideas are celebrated and where we can continue to push the boundaries of entertainment marketing.

Let's continue to break new ground, spark creativity, and build an even brighter future.

Congratulations once again to all the nominees and winners. Here's to the incredible work you've done and to the amazing things still to come!

With gratitude and excitement,

Stacy La Cotera
